

TPI®

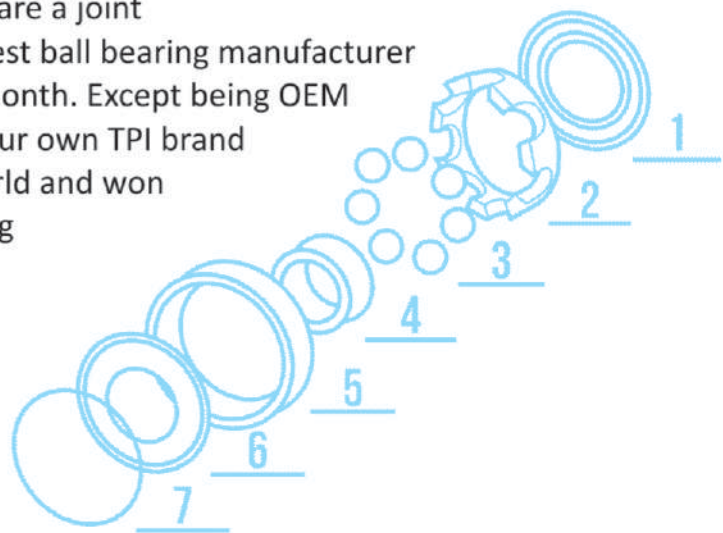

Ultimate High Speed Ball Bearing

About TPI

Tung Pei Industrial Co., Ltd. established in 1966, we are a joint venturer with **NTN Corporation, Japan** and the largest ball bearing manufacturer in Taiwan with capacity over 15 million pieces per month. Except being OEM of two worldwide famous brands, we also created our own TPI brand since 1983, our product is marketed all over the world and won excellent reputation from all our customers including HONDA, YAMAHA, SUZUKI group, DELPHI, TRW, GATES, GE, etc.

We sincerely wish we could have the chance to be at your service. Regarding to more detail information and catalogue of our company, please visit our website: **www.tpi.tw**
