ORS

ORSKOREA is the first local branch of ORS in Korea. ORS is located in Ankara, the capital of Turkey. Since its establishment in 1982, ORS is now one of the top manufacturers and suppliers to the European global carmakers.

Real solutions
for real
challenges.

KOREA

We design our products with our clients in mind. Our user-friendly interface and design provide easy and intuitive operation of the machine. We are currently manufacturing and developing machines that are self-controlled and operated.

 Main Clients
